

## Introducing Gameday for clubs

All Players, Coaches, Officials, Team Managers and other Members of Basketball Ireland are required to register themselves on the GameDay platform. Clubs can also have access to GameDay where members are registered at no cost.

This means clubs can track not just national registrations, but manage their own club registrations too by simply using GameDay.

The following slides include key information for Clubs to be aware of regarding the benefits, options and features available to them on GameDay

In the meantime please forward any questions you have onto your Area Board or Basketball Ireland

# What does GameDay do?

**Basketball  
Ireland**

powered by  **stacksports**
