CÉAD MÍLE Fáilte

The Basketball Ireland Post-Primary Schools Committee (BIPPS Committee) would like to welcome you to Limerick and hope you have a memorable time with us this weekend in our annual schools U15 Inter-Regionals. The Committee consists of voluntary Regional Organisers from 9 Schools Regions on the island. We thank them for their continued voluntary work and service to schools basketball in their work as teachers and coaches in our 900 registered secondary schools. The PPSC would like to thank all involved in making this weekend happen and I hope you all enjoy the experience. The memory of Tom Collins reminds us of the many dedicated teachers and coaches who are sadly no longer with us but whose memory and legacy of dedication and commitment to developing basketball in their schools and on the bigger stage lives with us in our hearts and minds. We honour their enormous contribution to education and sport and in particular the development of the sport we love and enjoy through schools basketball. We continue to keep them in our loving thoughts in a special way this weekend. May they Rest In Peace.

Míle Buíochas,

Marie O'Toole
